

School Council Minutes

Date: 26th September 2017

Agenda:

1. Charity
2. AOB

Notes:

1. We talked about the ideas each class had for this year's charity. We had a long list of names which we then put into groups of charities for adults, children or animals. We had a vote and the majority wanted to raise money for animals. Mrs Winkler then gave the names of the three animal charities and we voted on which one we wanted. The winner was 'Guide Dogs for the Blind' so that will be our school charity this year. We talked about how to launch the charity and Mrs Winkler will get in touch with them to see if someone will come out to do an assembly and start the fundraising. We thought we could dress as dogs (or just wear ears or bring in a soft toy dog), and bring in spare change to fill a dog picture.

School councillors to talk to their class to see what fund raising ideas they have and bring to the next meeting.

2. No other business

Next meeting: Tuesday 10th October at 12.30pm
