

Ben Wainwright

My name is Mr Wainwright and I am Assistant Head at Meriden C of E Primary School. Within school I have taught in all classes but specialise in Upper Key Stage 2 where I still teach the more able children the Level 6 curriculum. I am in charge of English and am working very hard this year to promote reading, grammar skills and spelling in order to raise attainment and progress levels.

I also lead PSHE and support with the leadership of ICT. Outside of school I love to read and play golf but don't get much chance at present as I have two young children who keep me busy.
