25 January 2018

Dear Parents

Parents' Calculation Workshop – 2:30-3:30pm Friday 16th February

On Friday 16th February 2018 we are hosting a workshop for parents to demonstrate and discuss calculation methods in maths across the school. The workshop will take place in the STEM Suite in school at 2:30pm, finishing shortly before 3:30pm at the end of the school day.

As part of the workshop, parents will have the chance to have a look at some of the resources used in maths in school, discuss written and mental methods of calculation, and ask any questions you may have.

Please indicate on the attached slip, if you would like to attend, in order for us to accommodate you.

If you have any questions or concerns please do not hesitate to contact me, I hope to see you at the workshop.

Yours sincerely

Mr A Evans
Year 4 Teacher
