

David Warwood

"Having lived in and around the local area all of my life, we are now very settled in Millisons Wood. We were instantly impressed with Meriden School on our tour around three years ago. Since joining the school community we have seen first hand the care and support that the school provides to all of its pupils. Having been given opportunity to be part of the governing body I am excited to be able to help and support the continued growth of the school.

I have always worked in education, initially as a PE teacher and now as a Deputy Head in a senior school. I hope to be able to use my experience in education as well as my personal experience as a parent with a child in the school to help support the continued development of the school. "
