

If you wish for your child to attend this club, please return the attached slip to school by Friday 20th April 2018

Dear Parent/Guardian,

Sky Blues in the Community (SBitC) will be delivering the Premier League Primary Stars programme within your child's school from April until June 2018. As part of this, SBitC coaches will be delivering a **FREE 6 week after-school dodgeball club** that we hope will be of interest to you and your child. If this is of interest, please read on and return the slip by the date above as places are limited!

Who are Sky Blues in the Community (SBitC)?

Based at the Ricoh Arena, SBitC is formerly a department of Coventry City Football Club formed in 1993 to deliver sport in the community initiatives on behalf of the club. The organisation became a registered charity in December 2008, financially independent from the football club and governed by an independent Board of Trustees. Our team use the profile of the football club to engage with and improve the lives of children and adults within Coventry & Warwickshire.

Who are SBitC's after-school clubs aimed at?

Everyone and anyone with an interest in sport: boys and girls of all abilities! SBitC sessions offer a fun introduction to sports as well as an ideal opportunity for those more experienced to develop their skills, game understanding and confidence. **This club will be for pupils in Y3&Y4.**

Why are SBitC good at what they do?

We've been delivering after-school clubs for over 20 years and so are very experienced at knowing what works and what children enjoy doing! All of our experienced Lead Coaches are FA Qualified and hold up to date certificates in; Emergency First Aid and Safeguarding with a fully-checked DBS. Our coaches have experience of working in schools and ensure sessions cater for the needs of every child!

What can my child expect at an SBitC after-school club?

We teach children how to effectively warm-up before coaching them through fun and structured drills that are designed to be progressive and engaging; working and developing individually and also as part of a team. We promote key values such as; Respect, Resilience and Teamwork throughout, and always finish sessions with small-sided games or matches.

Are there any added benefits?

On completion of the course, each participant will receive a special SBitC prize and be invited to attend a Coventry City League Home Fixture at The Ricoh Arena during the 2017/18 season (1 adult & 1 child voucher) & other prizes.

Medical: I confirm that I have provided all relevant medical information for the above-mentioned child and know of no reason why they should not participate in sporting activities. I understand that the above-mentioned child should not exercise when unwell or experiencing any pain and that if their health changes, I should inform the coaches and consult with a doctor. I understand that Sky Blues in the Community operate a 'no puff, no play' rule meaning all those with Asthma must carry their medication at all times; particularly the aerosol 'reliever' inhaler.

Media: I recognise that Sky Blues in the Community (SBitC) take photographs and videos of after school club activities from time-to-time. I understand that these images and videos will be used by SBitC and Coventry City Football Club in a positive light to celebrate success and promote the schools work we do in the public domain. I acknowledge that if I do not want the above-mentioned child to feature in any photographs or videos then I should tick the box below.

Communication: I understand that Sky Blues in the Community need to communicate with me via email with relevant information about other opportunities that we believe may be of interest. Please tick the box below if you do not wish to be kept informed of other SBitC provision (e.g. holiday camps).

<input type="checkbox"/>	Tick this box if you want to opt-out of the above-mentioned player featuring in photographs or videos.
<input type="checkbox"/>	Tick this box if you want to opt-out of receiving information about other Sky Blues in the Community activities.
