Year 2 Trip to London Friday 20th October

Dear Parents and Carers,

Firstly, welcome back! I hope you've enjoyed a great Summer break!

After consulting with parents in the Summer term, we have decided to go ahead with the London Trip this forthcoming term as it is seen as such a valuable and unique opportunity which will have a hugely beneficial impact on the children's learning.

This has been arranged for the last day of the half term, **Friday 20th October**. Details regarding the day will be shared in due course.

As was previously discussed, many parents would like the opportunity to come along on the trip if the possibility was there to do so and be involved throughout the day in all of the activities and tours. As a school, we have decided that this will be possible and will further enrich the trip.

Therefore, if you, as a parent or carer would like to come along for the day including journeying with us on the coach to London, coming on the open top bus and boat tour, and travel back to school on the coach then please could I ask that you complete the slip below and return it to school by **Friday 15th September**. Parents wishing to come along on the trip will be required to cover their own costs. This will be:

Open top bus/boat tour =	£25.60
Coach =	£13.30
Total =	£38.90

(These costs may well become slightly reduced depending on numbers of parents wanting to come along and will be confirmed nearer to the time).

Obviously we are limited by the size of the coach so places will be offered on a first come first serve basis.

There will be further communication regarding the cost for children and details of the day in the forthcoming weeks.

As always, if you have any questions please feel free to ask!

Warm wishes,

Mr Beamond
Assistant Headteacher

Year 2 Trip to London Friday 20th October

Name _____

I confirm that I would like to come on the Year 2 London Trip on **Friday 20th October 2017** and am happy to cover my own costs.
