

Whilst we really do appreciate offers of parent help when arranging adult supervision on trips, we follow this tiered selection system:

1. Staff who work with the class i.e. class teacher, teaching assistant
2. Regular volunteer helpers in the class (if available)
3. Midday supervisors (if appropriate)
4. Parents with up to date DBS checks (if available)
5. Parents, on a first come first served basis, who will be teamed with a member of staff

All of the above is at the school's discretion.

Numbers of adults required on each trip depend on the nature of the trip itself. Some trips, particularly those for Foundation Stage pupils need extra adult support and if parents are needed, it will be on a 'first to offer' basis.
