Reading Workshops

Dear parents and carers,

As you will be well aware, Reading and Phonics is a key focus for us in school and we would like to offer parents and carers the opportunity to understand how we teach it in school at the beginning of the new academic year. Therefore, we have a couple of key dates coming up to put in your diaries which may be of interest to you:

Friday 22nd September @ 9.45 am – Early Reading and Phonics

This is a workshop for parents and carers of Foundation Stage/KS1 children looking to gain a greater grasp of how phonics and the early stages of reading are taught in school. It will also give those attending plenty of ideas and recommended resources in supporting their child's early literacy development.

Friday 13th October @ 9.45 am – KS2 Reading

So often we are asked how parents can better support their children in their reading once they are fluent. This session endeavours to outline some key support strategies in maximising children's reading experiences, delving deeper into texts through helpful questioning techniques.

If you would be keen to attend, please could you let us know by completing the form below.

We really look forward to seeing you then.

Warm wishes,

Mr Beamond
Assistant Head

Reading Workshops

I will be attending the Early Reading and Phonics workshop on Friday 22nd September @ 9.45 am
