Dear parents and carers

We have been made aware today that children are wearing watches such as the one shown in the picture below. Unfortunately as well as telling the time, the watch takes videos and photographs which can be uploaded to the internet.

With technology progressing at such a rapid pace there are now many devices on the market which allow you to record images or videos. As you are aware we have a very strict policy regarding taking photographs and videos. These devices are therefore not allowed in school under any circumstances. Any items found will be confiscated and returned to you as parents. Please support us in keeping our children safe

Yours sincerely

Mrs Lucy Anderton
