Dear Parents and Carers,

The world of technology is changing rapidly. We recognise that a huge percentage of our pupils use technology and the internet at home as well as at school, and we would like to establish whether you feel comfortable with the sites, apps and games your child uses, or whether you would value some pointers and guidance regarding safety and privacy.

We have written a short questionnaire via survey monkey which should only take a few minutes to complete. We would appreciate your views, whether you are happy with your child's internet usage or not. The survey will close on Friday 11th May. Please follow this link:<https://www.surveymonkey.co.uk/r/SHKPGLL>

Regards

Mrs Lucy Anderton
